Community Litter Pick

Milverton residents and councillors set to work cleaning up

The Milverton Community litter pick the other week was a great success despite the rain.

Councillor Yvonne Moore said, "It was wonderful to see people of all ages getting involved in cleaning up the area. Everything from numerous cigarette boxes, plastic bottles, bits of clothing to an unopened can of cider were picked up. It was a very satisfying couple of hours of hard graft."

"I would like to thank everyone involved including Margaret, a visitor from Dumfries, and the young Bevan boys. The District Council yet again supplied the bags and equipment."

Library e-books can now be borrowed

Despite the cuts the Library staff are working hard to do the most they can with the resources to hand.

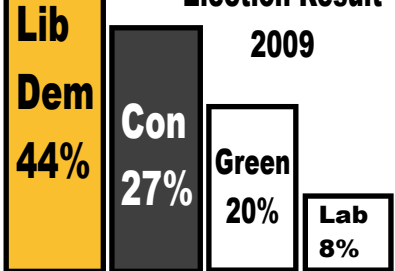

They have recently setup a service that enables the public to download and borrow three e-books for 3 weeks.

At the moment the number of titles on offer is limited but rising.

Councillor Sidney Tyrrell said, "This is not a replacement for the books we are used to borrowing but it is a useful alternative service for residents. E-books are particularly helpful for visually impaired readers"

Pothole Watch

Councillor Sidney Tyrrell said, "We already know about many of the potholes on local roads, but please let us know of any in your area so we can ask the County Council to repair them."

Milverton Noticeboard

Milverton residents will be better informed

Councillor Bill Gifford is delighted that the new noticeboard has been put up by the Rugby Road shops. He said, "I must congratulate Kate Evans for all her hard work in making sure the board went up. It is shared by Neighbourhood Watch, the Police and local councillors. Unlike most street furniture it has even improved the look of the local area."

Cycle routes progress

It is clear that there is considerable support from Milverton residents for improved cycle routes.

Cllr Nick Pittarello said, "There does appear to be a real chance in the development of the old Ford site in getting a proper cycleway that will avoid the very difficult junction and roundabout at Princes Drive".

Cllr Nick Pittarello

Survey Reponse support for open spaces

There has been an excellent response to the latest survey and it clearly shows how important the green open spaces in Leamington are to Milverton residents. That is as true for our allotments and country walks as for the superb parks and gardens in the town.

Lib Dem controlled Town Council takes action

Leamington War Memorial returned to the town

Cllr David Greenwood welcomes the return of the War Memorial to the Town Council

The District Council has agreed to transfer the ownership and maintenance of the War Memorial in Euston Place to Royal Leamington Spa Town Council.

This will simplify the process of adding the missing names to the memorial. Currently 15 names are waiting to be added. The Town Council proposes to put stone plaques into the ground next to the memorial to increase capacity.

Cllr David Greenwood said, "It is welcome news that the war memorial is returning after 37 years to the care of the town. The work will be completed for Remembrance Day."
